JOIN OUR TEAM!

MANUFACTURING CONTROLS ENGINEER

Are you passionate about automation, controls engineering, and continuous improvement?

Join our team as a Manufacturing Controls Engineer and play a pivotal role in shaping the future of our manufacturing operations. This is an exciting opportunity for a hands-on engineer who thrives on solving complex technical challenges, implementing innovative automation solutions, and improving operational performance. In this role, you'll collaborate with cross-functional teams to design, implement, and optimize advanced manufacturing control systems that drive safety, quality, reliability, and productivity. If you're looking for a position where your expertise directly influences business success, we'd love to hear from you.

The Manufacturing Controls Engineer is responsible for the design, implementation, maintenance, and continuous improvement of manufacturing automation and control systems. This role combines technical expertise, project leadership, and problem-solving skills to support production operations and ensure optimal equipment performance.

Working closely with operations, maintenance, engineering, and external partners, you will lead automation initiatives, support new equipment installations, troubleshoot complex systems, and identify opportunities to improve manufacturing efficiency and reliability.

QUALIFICATIONS

- Bachelor's degree in Electrical Engineering, Controls Engineering, Mechatronics, Manufacturing Engineering, or a related technical field; or a minimum of three years of experience in manufacturing automation or controls engineering.
- Experience programming, troubleshooting, and supporting PLC systems, including Allen-Bradley platforms.
- Strong knowledge of HMI systems, VFDs, servo drives, sensors, robotics, and industrial control systems.
- Familiarity with industrial communication protocols such as Ethernet/IP, Profinet, Modbus, and DeviceNet.
- Ability to read, interpret, and develop electrical schematics, wiring diagrams, and technical documentation.
- Strong analytical thinking, troubleshooting, and root cause problem-solving skills.
- Excellent communication, collaboration, and project management abilities.
- Experience working in manufacturing environments with automated production equipment.

Earn up to 5.50% while saving for retirement

Confidently prepare for retirement with a Thrivent Multi-Year Guarantee AnnuityTM. Get a locked-in interest rate for the guarantee period you choose—either 3, 5, 7 or 9 years. This single premium fixed deferred annuity offers:

+ Dependable interest
+ Tax-deferred earnings
+ Protection from market risk

Take a look at what your interest rate could be based on a premium of $50,000 to $99,999, the guarantee period and the version you choose.

Premium $50,000 to $99,999

Product Version	Return of Premium	Market Value Adjustment[1]
3-year	4.75%	5.00%
5-year	5.10%	5.35%
7-year	5.15%	5.40%
9-year	5.25%	5.50%

Rates effective for September 21-October 4, 2026. Surrender charges of up to 7% for the entire guarantee period may apply.

Not all team members can provide all products, programs and services in all states. 1The Market Value Adjustment version is not available in New York or California. Multi-Year Guarantee Annuity™ (MYGA) interest rates are current as of September 21, 2026, are subject to change at any time, and are guaranteed from the premium receipt date for the guarantee period chosen. A market value adjustment will apply if a surrender over the free amount occurs during the surrender charge period. (Market Value Adjustment version only.) If you surrender the contract, you will receive the premium paid, less any withdrawals and surrender charges. (Return of Premium version only.)

A surrender charge applies to surrenders that are greater than the free amount allowed during the guarantee period. Each guarantee period has its own surrender charge schedule: 3-yr: 7%, 7%, 7%; 5-yr: 7%, 7%, 7%, 6%, 5%; 7-yr: 7%, 7%, 7%, 6%, 5%, 4%, 3%; 9-yr: 7%, 7%, 7%, 6%, 5%, 4%, 3%, 2%, 1%.

Guarantees based on the financial strength and claims-paying ability of Thrivent. Surrenders or partial withdrawals/surrenders may be subject to income taxes and/or surrender charges. Surrenders are taxed as ordinary income on the annuity earnings only. Surrenders prior to age 59½ may be subject to a 10% federal tax penalty. Thrivent is the marketing name for Thrivent Financial for Lutherans. Insurance products issued by Thrivent. Not available in all states. Licensed agent/producer of Thrivent. ADVERTISING IS KEY

WHY WE LOVE CLASSIFIED ADS, & WHY YOU SHOULD TOO...

Classified ads can provide wide exposure to targeted local audiences.

Classified ads are often simple and fast to list.

Classified ads can provide direct contact with buyers.

Cost-effective way to buy and sell products and services.

Researchers have found that when it comes to memory, we don't remember things we hear nearly as well as things we see or touch.
