High summer electric bills are as predictable as bad potato salad at a family reunion.

As summer heats up, so do your energy costs. Keeping your thermostat at a comfortable level creates high summer electric bills. Take control of your energy costs with solar!

Invest in a solar array on or before August 29, 2025 and we'll pay your summer electric bills from June, July and August.* Solar is more affordable than you might think!

Eagle Point SOLAR

Bringing you the SUN®

*Rebate check will be issued for electric bill totals during the months of June, July and August of 2024 (previous year) and are made in the form of a one-time payment directly to new solar client upon permission to operate (PTO) and paid in full. Promotional rebate offer applies to new solar contracts signed and downpayment received between May 27, 2025 – August 29, 2025. Not valid with any other offers, group buy programs or discounts. Does not apply to solar array additions, generators or battery storage solutions. Some restrictions may apply. Contact a Solar Energy Consultant for full details.
